Rosenthal, Betsy R. *It's Not Worth Making a Tzimmes Over!*

Illustrated by Ruth Rivers. When Sara and her grandmother make challah bread, too much yeast sends the dough oozing out into the street. Sara and Grandma hand out baking directions and soon wonderful smells envelope the neighborhood. Grandma's refrain, "It's not worth making a tzimmes over," and Sara's resourcefulness contribute to the happy ending. Friendly illustrations capture the characters' close relationship. AK
